

# Trent Valley Internal Drainage Board

## Water Management Consortium

### LAND DRAINAGE OPERATIVES

#### Tractor / Flail Driver and Excavator Driver Based at the Orston Depot, Orston

Hours - 38 per week plus overtime subject to workload.  
Holidays - 23 rising to 27 plus bank holidays and three additional statutory days.  
NEST Pension with 20.2% employers' contribution.

We are looking for two experienced operatives to join a small team working across the Trent Valley area providing flood protection and water level management for our local communities.

The role involves working outside in rural locations undertaking weed clearance on watercourses during the summer, and reforming, improvement and construction works during the winter.

To comply with environmental legislation, weedcutting cannot start before mid-July and longer hours are therefore worked during the summer months (up to 60 per week) to ensure this work is completed on schedule. Operatives can also be called upon to respond during a flood event and this can involve working unsocial hours on occasion.

We are looking for applicants who:

- Are reliable and committed to providing a high standard of service.
- Have a professional and positive attitude.
- Are able to work on their own initiative as well as part of a team.
- Are self-motivated, with a positive attitude towards their work.
- Have a good attitude to health and safety.

Duties will include:

- Manual handling
- Using heavy plant and equipment
- Tree cutting
- Strimming
- Spraying
- Building headwalls
- Culvert installation
- General construction work

#### Required Qualifications

- Full driving licence
- Excavator or tractor and flail experience
- Health and Safety

#### Desirable Qualifications

- CPCS/NPORS 360 excavator qualification
- Tractor/flail driving qualification
- NPTC chainsaw
- NPTC spraying
